Sir,

Subject - Reconstitution of Hosadurga Minor Municipal Council from 1st July 1944

---

In forwarding herewith a copy of this office Notification No A6 2577/43-44 dated the 3rd instant reconstituting the Hosadurga Minor Municipal Council from 1st July 1944, I have the honour to state that the Municipal Council has been conferred the privilege of having a nominated non-official President and Mr Bhoopalam Nanjundiah has been the President of the present constitution The Municipal Council has been urging for the privilege of having an elected non-official President, and in the address presented to the Minister for Local Self Government and Public Health during his visit in January 1943, this prayer was urged I have carefully considered the question in all aspects and I am convinced that it is not desirable, just at present, to confer any such privilege ~~just now~~, as there are strained feelings among the Councillors and there are also factions in the Town If the privilege of electing a non-official President is conferred now, I am afraid the working of the Municipality may not be satisfactory and may give room for unpleasant results I am therefore of opinion that the existing order may be ~~ordered to be~~ continued for a further period of three years and that, ~~if~~ in the meanwhile, if the reconstituted Municipal Council resolves to have an elected President and if the relationship among the Councillors appears to be cordial, the question may be reconsidered sometime later

If Government agree with my above opinion, I recommend that Mr B Nanjundiah, who is a very influential gentleman of the town and who has been managing the affairs of the Municipality satisfactorily during the present constitution, may be nominated as the President of Hosadurga

TO

THE MINISTER FOR LOCAL SELF GOVERNMENT
& PUBLIC HEALTH in Mysore, Bangalore

Memorial presented by the citizens of Hosadurga Town in Chitaldrug District

Respected Sir,

The citizens of Hosadurga Town beg to state as follows -

That the Municipal Council for Hosadurga Town is newly constituted and has to function from the 1st July 1944 for a period of three years We beg to remind you that one of the requests urged by the Municipal Council when they presented an address to you on 10th Jan 1943 was that the Town should have an elected President and that in your reply you definitely and in unequivocal terms promised to grant the request

In this connection we wish to bring to your kind notice that the address was presented by Mr Bhoopalam Nanjundiah as President of the Municipality and also by other Councillors majority of whom are again re-elected to the newly constituted Council

The President, Municipal Council, has unanimously passed three times the same resolution namely that the Municipal Council should have an elected President and we want to impress that the President, though nominated supported the resolution Copies of the above resolutions are herewith enclosed for kind perusal

That the local officers are in favour of having an elected President, Mr B Beerappa, Sub-Division Officer, Davangere Sub Division, was approached by some of us in this connection and he was not only sympathatic but also told

us that he would recommend for an elected President

That you, as a non-official Minister of His Highness the Maharaja's Government, ~~has~~ have always stated that you have firm faith in the principles of democracy

That Mr B Nanjundaiah, the ~~President~~ present nominated President of the Council is almost the only man in this town to support the continuance of this undemocratic practice of having a nominated President Having no local support and incapable of being returned to the Municipal Council and yet very desirous of being in power, it is but natural for him to take up this attitude If you are pleased to go through the proceedings of the Municipal Council, it will be abundantly clear that he has not discharged his duties properly and efficiently and to the satisfaction of the public The sanitation of the town is not ~~appended~~ attended to properly The lighting and water supply arrangements are anything but ~~x~~satisfactory Recently he is even physically incapaciated and cannot walk or stand by himself Being tired of this unsatisfacoty affairs under his Presidentship, the Municipal Council passed a vote of ~~xxxxxxxxx~~ no-confidence about 9 months back Kindly find enclosed the copy of the said resolution We also request that you may be pleased to call for remarks and objections by the audit department

That his physical incapacity has necessitated his absence from any meeting for the last 4 months except on one meeting He had himself ~~brought~~ come to that meeting not so much with a view to serve the town as with a view to retain his seat

14

That we feel ourselves bound to state as above ~~as~~ Mr Bhoopalam Nanjundiah has become active now with a view to get himself nominated to the Presidentship In fact he has been openly expressing that the Government will not allow an elected President so long as he is alive and that Gott will always respect his requests

That Hosadurga Town consists of more intelligent enlightened and efficient young men in the newly constituted council who are fit to be elected to the Presidentship of the Council and who can be depended upon to serve the interests of the town to the entire satisfaction of the rate payers and the public

That the citizens of Hosadurga Town feel very much aggrieved that while Municipalities with smaller resources and populations should have the previlege of having their own elected President ~~of~~ Hosadurga Town which is progressive in all respects should be denied that privilege

That in view of the general policy you have adopted of having elected Presidents for all Municipalities and your definite promise in reply to the address presented to you, this town eagerly expects to have its own elected President

We therefore request that early orders may kindly be passed enabling the Town Municipal Council to have an elected President

We remain, Sir,
Your most obedient citizens
of Hosadurga Tow

Respected Sir,

The Municipal Councillors of ~~the~~ Hosadurga Town beg to state as follows -

OFFICE OF THE
FOR L S G & P H
Dt 22 6 44
No 8924

1 That the ~~elections to the~~ Hosadurga Town Municipality are over and the newly reconstituted municipal council will begin to function from 1st July 1944

2 The present Council while presenting you an address during your ~~last~~ sojourn Hosadurga Town had requested you to grant the privilege of electing its own President and you were pleased to assure the Council that it would be granted if a resolution is sent to that effect Accordingly we sent not one but three resolutions unanimously passed on 3 different occasions namely 29th July 1943, 5th Oct 1943 and the copies are herewith enclosed for kind perusal

3 Since nothing has been done in this connection so far we feel very doubtful whether these resolutions were brought to your notice at all The fact that the present President is a nominated person gives rise to the above feeling

4 For the last three years, Hosadurga Municipality under the regime of the present nominated President is appearing an appearance more of a village than of a town The system of Sanitation, water supply and lighting arrangement are at the lowest ebb Eventhough we are the firm believers of democracy the present three years' experience in this Municipality makes us believe that the Municipal administration under an official President would be more beneficial than under the non-official niminated President

5 The Presient Municipal Council continued to function without the President presiding over 4 continous meetings on the following dates i e 27th Feb 1944 29th March 1944, 7th May 1944 and 18th May 1944 Inspite of a definite provision of law that no member (whether Nominated or elected) can retain his membership if he absents himself for 3 continuous sittings it has not been made applicable to the case of Mr Bhoopalam Nanjundiah A No-confidence motion was passed against him unanimously by the Council on 3-6-43 had no effect on him A copy of the resolution enclosed All these things make us feel that the Government of Mysore seem to be very favourably inclined towards Mr Bhoopalam Nanjundiah who is physically and mentally unfit to the work as President The fact that he was mentally unfit was amply proved by his course of action in the matter of handing over charge to the

elected Vice-President The copy of the application in That connection is also sent for your kind perusal

The Present Council regrets to state that they have begun to lose confidence in the possibility of their ever having an elected President, so long as Mr Bhodpalam Nanjundiah, lives since he himself is expressing that way

We finally request you Sir, to consider all these aspects and grant us the privilege of electing our own President Hoping that you will keep up your promise so generously made during your reply to our Address

THE DEPUTY COMMISSIONER,
Chitaldrug District,
C h i t a l d r u g

Sir,

You are aware that Hosadurga Municipality has been empowered to elect a Vice-President and the Government have this time given a Non-official nominated President to this Municipality Minor Municipal Act and the rules framed thereunder have been very clear on the respective duties and powers of the above office bearers In the month of August 1941 I was duly elected as the Vice-President of the said Municipality and one Mr B Manjundiah was nominated as the President of the said Municipality I formally took charge of the Vice-President-ship soon after my election My office was only nominal Neither the papers connected with the duties nor the actual duties were entrusted to me for a long time being tired of waiting without any work, on 3rd Nov 1941 I requested the President through a report to put me into actual charge of the work and the President sent an endorsement that I might come at liesure when he would think over and give the work and that he would look after all the work in the meanwhile The enlorsement was so worded that I could not understand what it meant I sent a report on 4th Nov 1941 to explain what he meant and also asking him as to what work I should do as Vice-President The same day he replied to me saying that he would do as much as he can that I must inspect and what-ever is not possible for him to do and that

that I should see He further stated in that endo that he was a nominated President, and as such he has responsibilities and therefore he would look after everything and if there were any mistakes in his work I might check him more than a member and give him sugrestions To say the least this was a meaningless rigmorle as this literally meant that the Vice-President was to check the action of the President On 11th Nov 1941 I sent a report to the President requesting him to let me know why no tappals were sent o me for my information and why my signature was not taken to the challans for remittence of collection amounts to the Treasury, he endorsed on the report saying that he is looking after all that work and that he had no objection if I were to do such work which he could not do On 12th Nov 1941 I sent another report to him requesting to let me know the kind of work which he cannot do and to show the list of such works then he replied to me by saying that he would write down and send when time comes and that I must supervise the work, that was done by the President

Being tired of sending any more reports and having not been able to understand any part of his endorsement and his attitude towards me I had asked my collegues to request the President to call for a special meeting to consider about the desirability of giving proper duties and powers to the Vice-President They sent a requisition on 4th Nov 1941 accordingly The requisition was disallowed on 5th Nov 1941 on the ground that this was not a proper subject to be brough

special meeting and that such subject may be brought in the monthly meeting Again we sent the same subject on 19th Nov 1941 to be included in the monthly meeting On 25th Nov 1941, the President disallowed the subject on the ground that the rules and regulation on this point are very clear This again meant nothing

All the above endorsements showed that those were the outcome of either an arrogant mind or an ignorant mind which was lead by mischievous subordirates That I thought of approaching the Amildar who also happens to be one of the Municipal Councillors and explained to him the real situation Then he prevailed upon the President to delegate to me certain duties and powers as contemplated in the Act Even after that no papers are given to me nor am I allowed to do any work

On 16th Decr 1941 the President goes on leave for 3 days and one Mr C Andanappa a Municipal Councillor and a cloth merchant is put in charge of the President's office and to look after the Octroi work and he signs for the President On 17th Decr 1941 I submitted a report to your honour through the Sub-Division Officer, Davangere on ~~certain~~ some of them matters Copies of all the reports and the endorsements that I have mentioned above have been enclosed here with for your kind perusal If your honour were to go through them all I am sure your honour will arrive at the inevitable conclusion that I am to work under a President who sends endorsements without understanding what they mean and who does not want me to work as Vice-President All my endeavours to work and co-operate with the

the President have proved fruitless

Under these circumstances I approach your honour now to deal with the situation as your honour thinks best and to call him to order and direct him to do things as per rules

The originals are with me if desired I am prepared to place them before your honour

I remain, Sir,
Your most Obedient servant,

Dated 28th Jan 1942

TO

THE DEWAN IN MYSORE,

B a n g a l o r e

Sir,

We, the undersigned elected members of the Nosadurga Minor Municipality beg to submit as follows

1 We have been elected to the Minor Municipal Council of Nosadurga Town in the election held on 21st May 1941

2 Nosadurga Municipal Council had during the last year a nominated President, who did not command the entire confidence of the Council. The result was that there were a number of occasions when there was a difference of opinion between the elected representatives of the tax-payer and the nominated President

3 Even the Public of the town are not in favour of a nominated President and they feel that the nomination of a President who is not even a elected member militates strongly against democratic principles

4 The elected members are mostly respectable, well-to-do and intelligent businessmen who are keenly alive to their civic responsibilities as representatives of the tax-payer They feel that instead of a nominated President being forced on them if would be better if they are allowed to elect their own President

5 We, therefore pray that immediate orders may kindly be passed enabling the Council of Nosadurga town to elect their own President

6 In this connection we want to wait on you in deputation and explain the matter in detail and therefore request that we may be allowed to wait on you in deputation

We are,Sir,
Yours Obediently,
